Consent to Treatment

I acknowledge that I have received, have read (or have had explained to me), and understand the information about the therapy I am considering. I have had all my questions answered fully.

I do hereby seek and consent to take part in the treatment with Kara Jacob, MA, LCPC. I understand that developing a treatment plan with this therapist and regularly reviewing our work toward meeting the treatment goals are in my best interest. I agree to play an active role in this process.

I understand that no promises have been made to me as to the results of treatment or of any procedures provided by this therapist.

I am aware that I may stop my treatment with this therapist at any time. The only thing I will still be responsible for is paying for the services I have already received. I understand that I may lose other services or may have to deal with other problems if I stop treatment. (For example, if my treatment has been court-ordered, I will have to answer to the court.)

I know that ***I must call to cancel an appointment at least 24 hours before the time of the appointment. If I do not cancel or do not show up, I will be charged a $50.00 cancellation fee***.

I am aware that **an agent of my insurance company or other third-party payer may be given information about the type(s), cost(s), date(s), and providers of any services or treatments I receive**. I understand that if payment for the services I receive here is not made, the therapist may stop my treatment. My signature below shows that I understand and agree with all of these statements.

I understand that my signature below also signifies my authorization to release information to my insurance company necessary to proceed with billing for services rendered.

If my payments fall behind I will need to wait to schedule a follow up appointment pending the ability to bring my account up to date.
I agree that this financial relationship with this therapist will continue as long as the therapist provides services or until I inform him or her, in person or by certified mail, my intent to end therapy. I agree to meet with this therapist at least once before stopping therapy. I agree to pay for services provided to me (or this client) up until the time I end the relationship.
